About Us

Sri Anoo Associates is a reputed architectural, construction, and interior design firm established in 2001 and headquartered in Kakinada, Andhra Pradesh, under the leadership of **Er. K. Vijay Rama Krishna**.

With over two decades of experience, we specialize in architectural planning, structural engineering, construction management, interior design, renovations, and project consultancy across residential, commercial, and institutional sectors. Driven by innovation, integrity, and quality, we deliver functional, sustainable, and aesthetically refined spaces, ensuring excellence from concept to completion.

Our Vision

02

Pioneering Technological Advancements

We are committed to the construction and development of both rural and urban areas, tailored to meet diverse client requirements. Our expertise spans across a wide range of projects, including residential developments (independent houses, apartments, and villas), commercial buildings, hospitals, hospitality spaces, convention halls, resorts, warehouses, and corporate facilities.

We strive to deliver every project with the highest standards of quality, integrating modern amenities and lifestyle-enhancing features to ensure functionality, comfort, and long-term value.

Our Commitment

Uncompromising Quality: We utilize premium materials, advanced construction techniques, and strict quality control measures to ensure durable and high-standard outcomes.

Client-Centric Approach: From initial planning to final execution, we emphasize transparency, timely communication, and tailor-made solutions to meet each client's unique requirements.

Safety & Compliance: We follow rigorous safety protocols and adhere to all industry regulations to safeguard our workforce, partners, and clients at every stage of the project.

Sustainable Practices: We integrate eco-friendly construction methods and sustainable solutions to reduce environmental impact while enhancing efficiency and long-term value.

To be the global leader in technological advancements, transforming businesses and enriching lives through our pioneering products and services.

Our Values

Integrity, Innovation, Collaboration - our core values inspire us to maintain ethical standards, embrace creativity, and foster teamwork.

Why choose SRI ANOO ASSOCIATES

Licensed, Bonded & Insured: We ensure complete reliability and peace of mind through full compliance with legal and safety standards.

On-Time, On-Budget Delivery: With a proven track record, we consistently meet project deadlines and budget expectations without compromising on quality.

Expert Collaboration: We work closely with experienced architects, engineers, and subcontractors to ensure seamless coordination and flawless execution.

Innovative Solutions: By blending modern technology with skilled craftsmanship, we transform ideas into practical, high-quality realities.
